PLAY OF THE DAY - RACE 1

(5) ERNESTO DELACRUZ (M/L Odds 4/1) suffered a brutal trip last time out getting shuffled back early and then was locked down in the lane with no place to go. The three-year-old son of VERTICAL HORIZON just missed the previous race where he lost by a head to JULIOGETTHESTRETCH who we will see compete later in the card in the eighth race. He deserves another shot with these. Driver/trainer JF Gagne will be in the sulky.

Punters wanting to go in another direction may want to look at the top threats namely (1) KILL A DRAGON who has good early speed and looks to steal this on the front end or (4) DIALMEUP who has good decent form at present and cannot be discounted completely.

The key to ensuring a successful profit at the races requires selecting the right spots on a daily basis. This analysis has been designed to help both novice and experienced players select that one special horse deemed to be the best wager of any horse running that day. The Play of the Day will be available for every live racing card at Century Downs.

Please remember that this analysis is just a suggestion, so your wagering should be made within your own comfort level. Every effort has been made to ensure the program numbers are correct but you are strongly encouraged to double check with the official Century Downs race program before placing your bet. Good Luck!
